STAR PEPE

ABOUT

Star Pepe (PEPES) is a 100% community-driven project that is designed for automatic liquidity that generates payouts and static rewards for its holders.

Buy $PEPES tokens, hold them, and you will get more $PEPES tokens the longer you hold.

Apart from holding, Star Pepe has plans to launch a

a. **Jackpot event** as "The Star jack"
b. **Lottery game** as "The Star Lotto"
c. **Fortune wheel** as "The Star Fortune"

Star Pepe desires to allow its holders to make money by building, investing, winning and holding.

Star Pepe wants to reach that by creating a community of people with a standard goal that is ready to perform hard and donate towards that purpose. The project desires to become the future of safe and secure funding and investing platform, where you can also win a jackpot for having and playing the lotto that pays out every month.

FEATURES OF STAR PEPE

STAKING
Every holder is guaranteed to receive a fair allocation from Staking for Levels to invest in token developments. Based on how many $PEPES you've bet, the model is divided into nine tiers. Additionally, the team's partner projects and projects that they have incubated offer free tokens.

WHY CHOOSE STAR PEPE?

$PEPES is an audited token with

a. LP Locked
b. Anti-Whale
c. RUG Proof
d. 100% community-driven project on the BSC.
